LIMINE**

Motions filed: November 6, 2023

Responses filed: November 17, 2023

Motion hearing: November 30, 2023 - 10:30am

This case is scheduled for a pretrial conference on November 1, 2023, with trial commencing on December 6, 2023.

Prior to filing any pretrial motions in limine, the parties' counsel SHALL meet and confer in an effort to reach agreement on and otherwise narrow disputed evidentiary issues. Motions in limine SHALL be directed to pretrial rulings only as to evidentiary issues of genuinely material import, keeping in mind that routine evidentiary issues can be resolved with a conference among the Court and counsel during the course of trial. If this Court perceives that the parties have filed motions in limine without meaningfully meeting and conferring, this Court may strike the motions in limine.

The parties, after meaningful meet and confer efforts, SHALL file and serve any genuinely disputed motions in limine no later than November 6, 2023. All motions by each party SHALL

1 be consolidated in a single document and referred to by motion number. Any response to motions
2 in limine shall be filed no later than November 17, 2023. The Court will conduct a hearing on the
3 motions in limine on November 30, 2023, at 10:30 AM, unless the Court decides the motions are
4 suitable for disposition without oral argument, in which case the hearing may be vacated. Moving
5 and opposition papers must be brief, succinct, and well-organized.
